[Insert monument specific response]

- d) Outstanding R.S. 2477 claims within a monument – type of road claimed and history

[Insert monument specific response]

- e) Maps

[Insert monument specific response]

- f) Cultural or historical resources, particularly Tribal, located near a monument but not within the boundary that might benefit from inclusion in the monument

[Insert monument specific response]

- g) Other – general questions or comments

[Insert monument specific response regarding any other information that should be considered in the review of your monument]

Executive Summary of Review of National Monuments under EO 13792 (April 26, 2017)

Key Information about [Name] National Monument

[Name] National Monument was established by Presidential Proclamation on [Insert Date]. Prior to designation, the area was managed by the BLM [Insert other agency if co-managed] and continues to be following designation. The BLM manages for multiple use within the Monument (hunting, fishing, recreation, grazing, and valid existing rights such as oil production, etc.), while protecting the vast array of historic and scientific resources identified in the Proclamation and providing opportunities for scientific study of those resources. The resources identified in the Proclamation include [Insert brief description of Resources, Objects, and Values]. Overall, multiple use activities are allowed in [Name] National Monument that are compatible with the protection of resources and objects identified in the Presidential Proclamation. Multiple use activities are subject to decisions made in current and future BLM resource management planning efforts which include public participation. National Monuments and other conservation areas managed by the BLM continue to allow for multiple uses according to the Federal Land Policy and Management Act (depending on proclamation language).
